#### **Christmas Charities;**

Jim & Marty Trisler will again handle the purchasing, wrapping and delivery of the gifts. Spencer will let them know when the names have been put up in Fairplay. We will again request to get complete families this year. It was decided that we would give half of the Club's checking account balance as of November 25<sup>th</sup> to charity this year. So remember to get your dues paid so we can help as many families as possible this year.

**Do to lack of Member attendance at meetings would it be better to hold meetings every other month?**

The members voted to keep the meetings as they are. Every month, on the 2<sup>nd</sup> Wednesday at 7:00 PM. It was discussed that if we drop to every other month we may not have a club to enjoy any longer. There will not be a meeting in December or January. We hope you enjoy the Holidays!

#### **Website & new links;**

The new web person is working on adding the photos and video that has been submitted. We have added new links on the links page.

If you access the ALL THINGS JEEP .COM link through the Club's web site and make a purchase, All Things Jeep will send 7% of that purchase back to the Club!
