

South Park 4x4 Club Minutes February 11th, 2009

1. Call To Order 7:03 PM

2. Roll Call

In attendance: Tom McCready, Shane Fisher, Jim Trisler, Larry Beebe, Spencer Esch & Traci Clark,
Guest: Cory Spicer

3. Old Business

Christmas Charities. The club provided gifts for 16 children.

Did anyone read the Letter to the Editor in The Flume Dec. 26th issue? The Flume wouldn't run an article on the Club, but did print a letter to the Editor about our giving back to the community.

Club Sweatshirts; Spencer checked into having Club sweatshirts made with a place in Breckenridge. They have a minimum order of 36 items. They would offer us a discount on the set up, but with the set up fees being a total of \$135.00 and the cost of 36 items we would be looking at \$733.00 . It has been decided we will look into other places like the T-Shirt Shop in Moab and maybe do shirts transfers instead.

4. New Business

Club web site. We are having problems getting updates done on the calendar part of the web site in a timely fashion. Currently it still reads December. Would all Club members please email the web person and ask her to update in a timely fashion so we can all stay informed of what is going on.
