4. Old Business

Christmas Charities Report from Jim Trisler

13 children were adopted for Christmas from the Giving Tree at the Park County Sheriff's Dept. We are still having some issues getting families of children to adopt. Jim said he would start looking in to getting names in early November for 2010. We haven't been able to make contact with the Social Services person in charge of the Giving Tree, maybe we will hear from her this year. Gifts consisted of Gift cards for some of the older children due to requested sizes of certain items not being available. Toys for the younger children. Each child received an average of 3 to 4 gifts. Thank you to Jim & Marty Trisler for handling the Christmas charities and for wrapping and delivering the gifts.

Website:

Is up and running. Stop by and check it out.

The "All Things Jeep" link on our links page, if you click on that link through our site and make a purchase All Things Jeep will send 7% of your purchase back to the Club.

Easter Jeep Safari March 27th thru April 4th 2010

Tom & Traci will be attending Safari again this year. Tom will only work one trail which will be Friday April 2nd; this trail will be Secret Spire which is an easy trail. The rest of the week we will PLAY and have some fun running many different trails throughout the week. Please let us know if anyone else is planning on attending. Lodging is getting hard to find, so if you plan to go get your lodging taken care of now. If you have any questions regarding places to stay please contact Traci.

5. New Business

Next Meeting:

Wednesday March 10th, 2010 7:00 PM at Q-4-U BBQ in Frisco.

Club trip back to Moab after Safari

Since most of the Club does not plan on attending EJS we are planning another trip to Moab in late April early May. The Classic Car Show will be held in Moab April 23rd thru 25th, which would make lodging an issue, so we have picked the following weekend for the Club's spring trip to Moab April 30th thru May 2nd. Some Club members will be in Moab as early as April 28th. Please let me know if you plan to attend this trip so we know how many rigs we will have and can plan trails.

May 8th NATIONAL GO TOPLESS DAY

This is an event that is being put together by ALL THINGS JEEP; this event is going to be International this year. All Things Jeep has contacted the Guinness Book of World Records regarding this event. We have been asked to participate in this event and we could be hosting the "Highest Go Topless" event. Please let me know how many of you will be attending. You do not need to be able to take the top off of your rig to attend. We discussed opening this event to other 4 wheelers that are not members of South Park as it would be a way to meet some new folks and possibly gain a few more members for the club.

Re-work the Club Logo?

We discussed re working the Club's logo to make it more embroidery friendly. Our Web person is also an artist and has designed some wonderful art work for others. The members in attendance agreed to have Chris give us some ideas on a new logo design along with prices to do this.

6. Open Discussion

Tentative plans for 2010

We discussed some other trips and trails for 2010. Jesse would like to run Spring Creek sometime this year possibly in June.

Dates for the Rock Races have not been announced yet. They are usually in June and will be held in Colorado Springs.

The Redneck Mudshuffle will be held on the 4th of July again this year which conflicts with the Club's plans for the Parade in Breckenridge and the Club's Annual BBQ/Picnic after the parade.

Sometime after "mosquito season" a weekend trip will be planned to the North Park Dunes outside of Walden.

A trip back to SW Colorado will be planned later on this year.

If there are any trails you would like to run please let us know. We really need to get out and play more this year. Once we can get out on the trails around Summit and Park counties we plan to do a few geo-

cache (or as Jim calls them Geo-Junk) runs. It's a great way to learn more about your GPS units and have some fun.

Keep an eye on your "INBOX" as last minute trips will be announced from time to time. These may be half day trips around the area and may be during the week. If you get the itch and want to run a trail drop me a note and I will send it out to club members with your contact information.

Any updates will be placed on the Club's web site under the Calendar tab.

Ice races are coming to a close in the next few weeks. There will be "Bare Rubber" races Feb. 21st.

7. Meeting Adjourned

7:54 PM
