4. Old Business

Wheeler Lake Trail Maintenance Day August 14th

Only 3 Members were there. Larry Beebe, Tom McCready & Traci Clark. Some of the sign placement that we had done the previous month has been torn down or driven over. Some of the t-posts that were placed have been taken out and people have driven in posted and closed areas. There was more trash on the trail. Tom & Traci were on the trail on Labor Day and more damage has been done. The KC Jeep folks made it up to the lake and said there were beer cans everywhere up there.

This trail is seeing more and more usage, and it is becoming harder and harder to keep it clean and maintained. Tom suggested that everyone think about what type of plan we can come up with to keep this trail open and safe and clean, otherwise we might make the recommendation to USFS to close the trail for 1 year or permanently.

So think about what we might be able to put together for a plan to submit to the USFS office in Fairplay.

We might try to get 1 more clean up day in before the trail is closed for the winter. If anyone is interested in helping out please email Traci to get on the list, so we can pick a day to go.

Tom's Mis-Adventure's in Moab. Sept. 30th thru Oct. 4th

So far the members that are attending are; Jim Trisler, Shane & Jamie Fisher, Jesse Miles, Mark Deguire, Dennis & Lynda Riead, & Tom & Traci.

Trails proposed are: Poison Spider, Behind the Rocks, Tiptoe Behind the Rocks, 3D, & if Tom can get in touch with Tony in Moab – Moab Rim. This last trail is not an easy one and not for the novice driver.

Leaf Run Sept. 19th or Sept 26th depending on peak color times.

The date will be determined on peak color change. WATCH YOUR EMAIL INBOX for last minute notification. We will run an easy trail, so everyone can enjoy it. Possibly Breakneck/Browns, Shrine Pass, McAllister.

5. New Business

Next Meeting: Wednesday October 13th, 2010 7:00 PM Q4U BBQ in Frisco

6. Open Discussion

Jesse Miles would still like to try and run Spring Creek before the snow flies. If anyone is interested in going, drop me a note so we can get a date set. This trail will probably be ran after the trip to Moab.

If anyone needs tow straps, tree savers, d-rings, snatch blocks etc. Please get in touch with Traci we are putting an order together.

Watch your email for last minute trail run notices.
