Club Trip to Moab April 30th thru May 2nd, 2010 recap

In attendance for this trip were Dennis & Lynda Riead, Jim Trisler & his nephew, Jesse Miles & Tom McCready. Trails ran while in Moab were; 7 Mile Rim, Fins & Things, Steel Bender & Top Of The World. The weather was a bit hit and miss, with sun, rain and some snow showers. Fun was had by all even Jesse who learned what "Steel Bender" really meant.

National Go Topless Day Saturday May 8th 2010 recap

In Attendance were; Matt "Radar" Orth, Tom McCready, Scott Kennedy, Sal Smith & Family, Wally Frank Jr., Josh Olsen, Jesse Miles, Traci Clark & Jim Tinsley. The weather was not cooperative the couple of weeks prior, so most trails were closed. We met at Safeway in Frisco and headed for Hoosier Pass for some photos. The wind was up as we took the tops off the rigs. After some pictures, Tom saw the trail behind the parking area looked to be fairly hard packed snow and shouted "High Mark" so off went Radar, Tom & Scott Kennedy. Sal buried his rig just off the parking lot. Radar ended up completely burying Traci's CJ5 up to the body line. Scott nosed in to the tree well full of snow. We spent the next 2 hours or so digging and winching out Radar. Everyone was laughing and cutting up. We had a great time and got some great pictures. The weather was moving is on us so we decided to forego other passes for the day and headed over to Pug Ryan's for a late lunch and some visiting. Sure wish more folks would have turned out for this it was really very fun. We hosted the "Highest in Elevation" event in the World!

4th of July Parade in Breckenridge & Club's BBQ/Picnic

We will again participate in the Breckenridge 4th of July Parade. I will post more as we get closer. Andy checked in to Mardi Gras Beads for the Parade. Last year we ordered 140 dozen beads and most folks ran out. Prices are \$ 1.25 per dozen. So \$20.00 will get you 16 dozen beads. Please contact Andy with your bead order. We will also be ordering beads for the Burro Days Parade at this time. **Andy will be placing the order for beads on JUNE 10th** You can reach Andy at ajrj@comcast.net

Greg Pohle requested that Jim Trisler be placed at the end of the parade line up and NOT behind him this year!

The Club's BBQ/Picnic will follow the parade at Tom & Traci's in Silverthorne. This will be a potluck style event as always. Please contact Traci as time gets closer to find out what to bring.

July 25th Burro Days Parade Fairplay

Please refer to the 4th of July regarding beads as we need to have ALL orders in by June 9th. We will decide on a trail at the next meeting.

2 Trips have been proposed by Dennis & Lynda Riead for sometime this summer.

- A.) Hagerman Pass (1 day trip) Tentative date June 12th (June 19th conflicts with the Rock races)
- B.) San Isabel/Buena Vista area (2 day trip)

These trips will be based on interest. Dates are tentative.

5. New Business

Next Meeting: Wednesday June 9th, 2010 7:00 PM at Q4U BBQ in Frisco.

May 15th, 9AM – 3PM 4x4 Garage Sale & possible Show & Shine at Specialized Truck & SUV Frisco

Scott said if we would like to have a bit of a show & shine during his garage sale we are welcome to. According to current weather reports it doesn't look very dry for Saturday. Stop on in and see Scott and buy some stuff!

Meet & Greet/Show & Shine maybe June 26th, 2010

We discussed doing a Meet & Greet / Show & Shine on this date. We have contacted Vista Jeep in Silverthorne to see if they would host the event. Traci will be contacting them again this week to see if they will agree. It would be a great way to get the word out about the Club and have some fun. Traci has had some contact recently from folks that had no idea that there was a 4x4 Club in Park & Summit Counties. Ute Pass Iron Goats asked if they could come to this event with the Jeep they have built to raffle off for charity. Tomken Machine expressed interest in coming down as well. The members in attendance at last night's meeting thought this would be something fun to do.

Black Bear Pass AT NIGHT with Western Slope 4 Wheeler July 31st

Matt Goetsch with Western Slope 4 Wheelers asked if any of our club members would be interested in going on this night time adventure. If you are interested please contact Traci and she will put you in contact with Matt.
